Hi Renee,

While I understand authorization is needed, I will kindly ask you to revisit the schedule. CARE+ is desperately needed at this location ASAP. I reached out to Jamie today for an emergency service, but am unsure if that will happen. I will attach pictures. I have had a numerous amount of constituent feedback on this specific encampment.

Thank you!

Best,
Tristen

Hi Renee,

As long as Rose and Penmar is prioritized as well as 4th and Rose, everything else should be ok. We have had the news cover rose and penmar on 3 different media outlets.

Thanks so much.

Best,
Tristen
